## **NO SORTING NEEDED! PUT ALL YOUR RECYCLABLE MATERIALS IN YOUR BRIGHT GREEN KIMBLE CART!**

There is no need to bundle your newspapers, cardboard and other materials separately. We do encourage you rinse your recyclable containers to help reduce odors, insect attraction, liquid soiling of fiber products and rejection of containers at the recycling plant.

Look for the recycling symbols embedded at the bottom of most plastics bottles to identify the #1 - #7 recyclable plastics. All the recyclable items can be mixed together in your recycling container. The recyclable materials will be segregated and prepared for market at our recycling facility. **Thank you for helping Kimble Recycling & Disposal make Highland Height's automated curbside recycling program a success!**

*We do not recycle paint cans, or anti-freeze and motor oil containers. We do not recycle wax cartons, batteries, light bulbs, or wire hangers. With regard to plastics #1 through #7, we recycle the rigid containers used for food, beverage, and health and beauty aid products, but not plastic bags, Styrofoam, toys, or plastic utensils.*
