SALARY AND BENEFITS

Current starting salary in the participating Fire Departments ranges from \$54,670 to \$62,749.49. Salary and benefits as covered by the respective Union Collective Bargaining Agreement of each city.

Benefits include the following:

- Pension
- Uniforms
- Time and one-half for overtime
- Sick leave
- Funeral leave
- Vacation
- Paid holidays
- Medical insurance
- Paramedic premium
- Longevity compensation (Excludes Pepper Pike)

Work week in the participating Fire Departments ranges from 48 – 50 hours per week.

NATURE OF WORK

General Firefighter/Paramedic work is the protecting of life and property from fire, accidents, natural disasters or other occurrences where the intervention of the department and its personnel can limit, contain or prevent the loss of life and destruction of property.

A person appointed to the Fire Department will be expected to perform a wide range of activities including, but not limited to, fire suppression, fire prevention, arson investigation, paramedic duty and public relations. While some of the work is of a routine nature, such as maintenance of equipment, facilities, and training, Firefighter/Paramedics may on a moment's notice, be required to expend maximum physical effort and expose themselves to high hazard situations while performing fire suppression activities or they may be required to call upon their maximum mental powers when called to perform emergency medical treatment where the well-being and even the life of a victim could rest upon the treatment delivered by the Firefighter/Paramedic at the scene of an accident or sudden illness. Extreme weather conditions are also encountered by the Firefighter/Paramedic during the performance of duties, and exposure to contagious diseases does occur.

KNOWLEDGE/SKILLS/ABILITIES TO BE LEARNED

You will have the ability and skill to:

- Apply general rules to specific situations
- Observe and react to events accurately and completely
- Complete reports and necessary forms per fire department standards and respond to all hazards and emergencies including but not limited to medical and fire emergencies
- Communicate with a fluent command of written and spoken English
- Calmly handle sensitive or hostile public contacts
- Operate motor vehicles during emergencies
- Care for and use all prescribed equipment provided by the Fire Department

You will learn:

- Ohio and City of Employment Codes & Ordinances
- Fire Department of Employment Rules and Regulations
- Paramedic Protocols and techniques
- Fire report writing
- Fire control theories, methods and procedures
- Basic building construction methods
- Fire Prevention theories, policies and procedures
