### Matters for Discussion

- Were any New Drainage reports/forms were received?
  -
- Calls from residents
  - 
  -
- Other
  - Determine which residents the city will visit based on the responses we received to date.
  - Whether the city needs or wants to respond to any other Ford Rd. resident in response to the completed surveys.
  - If property visits are determined to be needed, we need to decide who will take part in the visits and the appropriate response depending on the problem and nature of the property ownership.
  - Discuss residents' use of county as a 6-month preventative maintenance and cost to the City.
