

Name of Committee: Safety & Service

Meeting Date: 6/22/21 Called to Order @ 7:31pm Adjourned @: 7:47pm

Persons in Attendance:

Carol Ganser

Chief Turner

Chief Cook

Anthony DeLusio

Matters discussed:

Ambulance Purchase: Due to extended timeline and rising costs looking to ~~start~~ start purchase process now

Power Load Purchase: Due to buying power of using utility discount it makes sense to buy the Stryker loader separate from the ambulance

* This looks in the pricing on the equipment if we move forward now on both contracts. Asking Council to move forward with both purchases. Suspend the motions

Due to the retirement/retire of Chief Cook. Mayor Brunello will assume more responsibilities as a Safety Director of Highland Heights. This will require more time/labor hours for Mayor Brunello
