Ann D'Amico	x	Brian Mader	x	Anthony DeLisio	x
				Ed Hargate	L

Matters for Discussion

- Were any New Drainage reports/forms were received?
 - **Yes – 1022 Oakview B. Giallombardo. Discussion on past complaints and history.**
 - **Director Grabfelder will visit the location to get more information on site specifics.**
- Calls from residents
 - 7/2/2021 – 861 Stanwell - Steve Gallowan. Looking for an update on neighbor to the north that installed flower bed in swale. Director Grabfelder was to reach back to resident, perhaps landscaper to make improvements – any update? **Yes – discussed with resident and neighbor, small changes occurred and will revisit in the spring if necessary.**
 - 9/30/2021 – Pictures taken – and it appeared that the properties were dry
- Roy / Renee area
 - Discussion – send to the three (3) residents on the current request (6/14/21):
 - Proposed letter and handout **or**
 - Respond with email – **Mayor Brunello offered to send email to resident(s) on how the City can only offer technical advice, and repairs or adjustments on private property are the responsibility of the homeowner.**
 - Email sent 9/30/2021
- Other
 - Discussion on dye testing using County forces - Director Belfiore – any update?
 - **Yes – letters going tomorrow (9/29/2021) to homeowners in area providing information on setting up dye testing appointment; an adult must be present during testing.**
