

CONSTRUCTION NEWS

Beginning January 3, 2023, AT & T will be conducting underground boring for their fiber optic cable installation. Depending on weather conditions the construction is scheduled to last at least 4 months.

The areas are The Village of Aberdeen, The Legends, Waterford, and Maypine Sub-division.

AT & T will be passing out information on the process and a number for you to call for any questions or concerns you may have. (Sample below)

AT&T fiber

Building you a better, faster internet.¹

Over the next several weeks, AT&T crews will be working in your neighborhood to upgrade your internet with 100% fiber technology. This work will sometimes require access to our network that is located in easements or public right-of-ways. We will always do our best to minimize any disruptions to you. Once the work is complete, we will remedy any disorder caused to your landscape, if necessary.

Should you have any concerns, call us:
